

Product: D5201 – Conductivity Probe

1. Identificaton of the product

Product: Conductivity Probe
Code No.: D5201
Range: 0 – 150mS
Temperatura Range: -15°C +70°C
Body Type: Glass
Plate material: Platinum
Dimension: 12x120 (mm)
Cell Constant: K=1
Application: General

Keep out of reach children

Dispose of by using the appropriate waste disposal authorities.
Do not dispose in environment
